

Exquisite Catering Since 1982

GreatEvents Catering is one of the premier caterers in Western Canada, serving the Calgary and surrounding areas since 1982.

Under the direction of our Executive Chef, Daryl Kerr, our team of culinary specialists continue to provide new and innovative ways to create and offer catered food for every size of function, palate and budget.

As the official caterers for Spruce Meadows, we are known for bringing skill and attention to the table. Some of our most memorable occasions include serving crowds of over 50,000 during Spruce Meadows show jumping events.

At GreatEvents Catering we understand that the number one concern of most clients is that their event be unique and distinctive in all possible ways, from theme and décor to cuisine and service. Our team members pride themselves on using their extensive industry experience and knowledge to bring the client's visions to life.

Thanks to our sister company, GreatEvents Rentals, we can also provide linens, tables, chairs, tents, décor and more, making us a unique one-stop-shop outlet.

Whether it's a corporate gala, relaxed social gathering, Stampede BBQ, wedding or any other celebration indoors or out, GreatEvents can customize a gourmet or themed menu to suit your specific tastes and preferences.
